Your Child Can Benefit from Camps at Rolly Pollies Camps!

Your 3 and 4-year-old: Kids crave structure and routine! Whether Rolly Pollies is already a familiar place for your child or it's their first time here, you can rest assured they are in good hands with well-trained caring instructors who want to make this your child's most fun summer ever! We'll run, jump, swing and sing! Make crafts, engage in stimulating activities, learn new things and make new friends too! They'll learn social, gross, and fine motor skills, problem solving, and how to get along in a class/group setting. Best of all, they'll be preparing themselves for a smoother and more confident transition into the approaching school year with teachers and friends!

Your 5, 6 and 7-year-old: On top of the obvious physical activity that your child will be getting at our facility, it is an excellent opportunity for your little ones to expand socially. Making friends at any age can be a little intimidating, but our 5 to 7-year olds are given endless opportunities to overcome physical and mental challenges together and to form friendships that will stick with them for years to come! Learning, sharing and growing together is what it's all about! Plus, it doesn't hurt that they'll have the big kids there to look up to and encourage them!

Your 8 and 9-year-old: Our oldest campers tend to become our leaders throughout the summer program. Self-esteem and confidence really take off as they are empowered to be team players with one-another and mentors to younger groups. Our 7 -9-year old's figure out what it takes to cooperate through stimulating games and what it means to look after others as role models. Rolly Pollies art projects put creative minds to the test while allowing them to shine the way only they can! Nothing is more rewarding to these children than being looked upon as the "big" kid and enjoying all the confidence this role has to offer.
